

## Help Us...

SHELTER with LOVE

Dear HumaneCNY Members:

The 2017 Membership Drive is upon us! This is the time of year we invite new and renewing members to help support over 600 animals that come to our shelter looking for much needed medical care, food, and a warm, dry place to live while they await their forever families to take them into their hearts and homes. Membership donations assist us in covering a large portion of our medical expenses throughout the year. This past year our medical expenses were extremely high and we expect that to continue because we care for many very neglected animals.

As a not-for-profit who receives no government assistance, we rely 100% on the generosity of our members and others who support our mission to be able to continue the work we do to benefit animals across Central New York. We can only provide support based on funding available.

Please join our staff and volunteers in committing to our area's homeless pet population... And as always... thank you for your support!!

Gratefully,

Christine McNeely  
Executive Director

## Join Us...

## How Can I Help Save Animals?

# Here Are Ways to Give

■ **Cash:** This is most common and simplest method of making a charitable contribution. A gift of cash is tax deductible and can be accomplished by any of the following ways: a check, credit card, on-line through our website [humanecny.org](http://humanecny.org) or PayPal which can be a one-time gift or a convenient reoccurring monthly.

■ **Wills/Bequests:** By putting a bequest in your will (cash or share of your estate) you can defer a gift until after your lifetime, and your bequest is fully exempt from estate tax.

You can avoid a potential double tax on traditional IRAs and other retirement plans by naming the HumaneCNY as a beneficiary of the remainder of your assets after your lifetime, which leaves your family other assets that carry less tax liability.

■ **Securities:** By contributing long-term, appreciated stock or other securities as your gift, you are entitled to a charitable income tax deduction. In addition, you don't pay a capital gains tax.

■ **Life Insurance:** By contributing a life insurance policy you no longer need, you are making a large gift with little cost to you with current and possible future income tax deductions.

■ **Charitable Remainder Trust (CRT):** By establishing charitable gift annuity or charitable remainder annuity trust, you secure fixed life income while avoiding market risks. It pays you a fixed amount of income for life, gives you tax benefits, and can often increase the rate of returns on your funds.
