Dear HumaneCNY Supporter:

Every day, HumaneCNY is called upon to help animals needing care that can mean the difference between life and death. **Because of you, HumaneCNY can say yes.** However, the need for our services is growing nonstop, and **we rely upon the ongoing support of our caring donors** to make sure we can keep saying yes to the animals who need us most.

Thanks to generous donors who established the HumaneCNY Matching Gift Fund, every gift received by December 31 will be DOUBLED, up to the full amount of the $25,000 fund! Twice the gift means twice the opportunity to provide homeless dogs and cats in HumaneCNY's care with the medical treatment, shelter, and compassionate support they need.

Just look at Amelia, a sweet pup who arrived at HumaneCNY after being repeatedly stabbed. She was severely injured, wasn't eating, and spent days receiving intensive care in the hospital before coming to the shelter. Even after arriving at HumaneCNY, she needed fluids, IV medications, and continued veterinary treatment when her injuries became infected. **HumaneCNY said yes to Amelia** – giving her the care and chance to heal that she desperately needed.

A little TLC goes a long way! Amelia is healing and ready for her forever home!

Then there was Mason, an 8-year-old Beagle whose loving owner was no longer able to care for him due to her own illness. After arrival, Mason's stomach suddenly became bloated and hard, and our vet detected a large mass on his spleen. HumaneCNY quickly sought the specialized care he needed, but animal hospitals in our area did not have ultrasound equipment or a surgeon available. Ultimately, a caring volunteer drove Mason to Upstate Veterinary Specialists in Latham, NY for surgery. Mason faced a difficult first night and needed an unexpected blood transfusion, but **HumaneCNY said yes to Mason, too** — giving him the chance to survive and recover.

For animals like Amelia and Mason, there's no guarantee that someone will step forward to provide the lifesaving treatment they need. **At HumaneCNY, we believe their lives are worth fighting for.**

Your gift helps HumaneCNY say yes when an animal needs emergency surgery. It helps us say yes when an animal arrives severely injured. It helps us say yes when medical care is expensive, complicated, and urgent.

Mason is recovering comfortably after receiving lifesaving surgery.

And now, your gift can be doubled!

A **$50 donation becomes $100** to help provide the medical care and daily necessities an animal in HumaneCNY's care needs to thrive.

A **$100 gift becomes $200**, giving HumaneCNY twice the resources to respond when the next cat or dog arrives needing help.

Every dollar you give before the matching fund is exhausted can create twice the impact!

We cannot know which animal will walk through our doors next, but with your help, we can make sure HumaneCNY is ready when they do.

Please make your year-end gift today and double your impact for the animals who need HumaneCNY to say yes. Your gift makes our work possible. Your gift saves lives.

Thank you for standing with HumaneCNY and for believing that every animal deserves the chance to heal, recover, and find a loving home.

With gratitude,

Maureen Davison
Executive Director
