SHELTER with LOVE

4915 West Taft Road • Liverpool, New York 13088 • 315-457-8762

Hello HumaneCNY Supporter:

This summer has brought an overwhelming number of animals through our doors, each one deserving a healthy, happy future. But with every new arrival comes an urgent need for medical care, and our resources are being stretched to the breaking point by **skyrocketing veterinary costs**.

We're only halfway through the year and have already accepted 432 animals into our loving care. The reality is, *rarely do these animals arrive spayed or neutered* or have seen a vet for even basic care, which means **almost every single one requires a surgery** – on top of vaccines, microchipping, testing for common diseases, and preventive flea, tick, and deworming medications. The cost to spay, neuter, vaccinate, and provide basic medical care *far exceeds* the funds we bring in through adoption fees.

Earlier this month, five Chihuahuas were brought in by the Syracuse Police Department. All of them needed dental surgeries and treatment for allergy and skin issues because they had never been seen by a vet. We also took in two cats – Raisinette and Hollywood Rose – each needing eye surgeries. Hollywood Rose is recovering at the shelter after having surgery to remove an eye that was severely injured. Raisinette struggled with allergies worsened by a painful Entropion eye condition. She required surgery to fix her eye lids and make her more comfortable, and she has now been happily adopted!

These expenses accumulate quickly. With so many animals now needing even *more advanced* veterinary care – including major surgeries like amputations, tumor removals, or other emergency treatments – it has pushed us to the brink financially. **We will never compromise on an animal's critical or basic care, but without immediate help, these costs could overwhelm our budget and force us to close admissions.** That's the heartbreaking reality we face.

We have an urgent, critical need for additional funds. Your donation today will go directly toward urgent, life-saving medical treatments for dogs like our "bread-named" Chihuahuas and cats like Hollywood Rose and Raisinette. For them, your support means relief from pain, faster recoveries, and a real shot at a brighter future.

Despite our tireless work, we can only do so much without the funds we desperately need. Every gift, no matter the size, makes a difference. Your support gives us the resources to continue our mission of sheltering animals with love and compassion.

Please, give today to help us cover the spiraling costs of medical care for the animals who need it most. **As always, we thank you for being the lifeline that makes our work possible.**

With gratitude,

Maureen Davison,
Executive Director
