HELP HUMANECNY BUILD A $25,000 MATCHING GIFT FUND

Dear Compassionate Supporter of HumaneCNY,

The cost of caring for homeless animals is rising every day. Veterinary care, medications, food, diagnostics, and emergency treatment are more expensive than ever and sadly, this year's donations are simply not keeping pace.

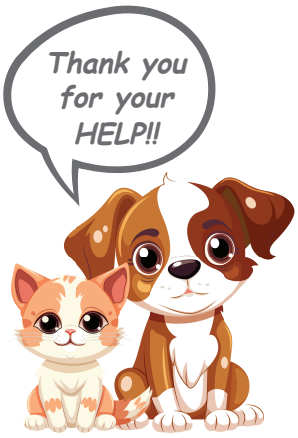

At the same time, more animals are arriving at HumaneCNY with urgent medical needs. More families are struggling to keep their pets, and more cruelty cases are requiring immediate intervention. **We need your help to keep up with the growing cost of care and close a serious funding gap.**

This fall, we're reaching out to a select circle of committed supporters with the opportunity to create something powerful-- the **HumaneCNY Matching Gift Fund.**

Gifts designated for this special fund will be used in November and December to **double donations** during our annual Director's Appeal Campaign, inspiring the broader community to give and making every gift go farther for animals who need us most. **We need the help of our most dedicated supporters to build this Matching Gift Fund — and that starts with folks like you.**

Your gift today won't be matched. **Rather, your gift *becomes* the match.** You become the reason another donor's gift is doubled this holiday giving season. **You become the spark that motivates hundreds of people to give.**

You have the power to be the catalyst behind every second chance we provide for the rest of 2026 and into 2027. Animals like Clark, a Pitbull puppy who arrived emaciated, terrified, and barely able to stand, and Molly, a young cat suffering from severe asthma and skin allergies, rely upon HumaneCNY for the emergency medical care they desperately need. Your gift today will allow us to rescue and care for animals like Clark and Molly, in addition to the hundreds for whom routine sheltering and medical costs typically exceed $300,000 annually.

When you contribute to the HumaneCNY Matching Gift Fund, you're not just helping one animal – you're helping create a wave of generosity that encourages and inspires the entire community. **Donations received by October 31, 2026, will be designated to this fund .** Will you please consider a match-building gift of $100, $250, $500, or $1,000 to help us reach this goal?

The need is growing. The cost of care is rising. **We need your help to continue saying yes to the animals who need us most.** Thank you for making hope possible.

With gratitude, *Maureen Davison*, Executive Director
