**Membership Drive!**

Dear HumaneCNY Members:

Each year we invite our supporters to become an official member of our team. Membership/Renewal fees assist us in covering our annual operating expenses. This much needed financial assistance allows us to feed, house, and provide medical assistance to the hundreds of animals we care for every year.

We depend 100% on private donations as we are not funded by the state or federal government or associated with any national organizations. Members receive information on upcoming events and fundraisers, as well as seasonal newsletters, to update them on animals looking for new homes and to read the success stories of some of our most memorable animals over the year.

This year started out with two very special rescues. Winston fell from the back of a truck, and the driver did not stop. Winston spent a week in the hospital with a serious head injury and then moved to a foster home where he continues to improve. Winston may lose an eye and is still having some medical issues, but hopefully with time and love he will heal and find his forever home.

Two weeks later we were called on to help Maliha, appropriately named for Beauty and Strength. Sweet Maliha only weighed 17 lbs. when she was rescued and is now up to 30 lbs. Our promise to Maliha is to give her all the care she needs to reach her healthy weight and then find her the home she deserves.

Winston's and Maliha's stories are what HumaneCNY rescue is all about and why our mission is so important. With you by our side, we will have the resources we need to save even more precious lives who depend on us. Please donate today, and together we can make miracles happen for homeless and neglected animals!

Gratefully,

Maureen Davison, Director
