## It's time for the 2022

### Annual Membership Drive!

I hope this letter finds you and your family healthy and safe. From our hearts to yours, we thank you for your continual support of HumaneCNY's mission, not only throughout the year, but especially in these challenging times. While it's been a difficult couple of years navigating this pandemic, our adoption numbers are holding steady, and we're very grateful for:

- Our adopters, who have given loving forever homes to more than 600 pets throughout the last 12 months.
- Our shelter and fundraising volunteers, who donate thousands of hours to love the homeless animals at HumaneCNY and raise funds to support their care.
- Our dedicated staff and volunteer Board of Directors, who work tirelessly to make sure things are running smoothly on a daily basis.
- Our supporters like you, who are always there to help us when we need you the most. The willingness to keep giving and in many cases to increase the amount of these gifts is amazing!

Although our pleas for donations may be constant, so are the needs of the huge number of animals entering our doors daily. Here are some of the animals HumaneCNY helped in December and January alone:

- From one household, a senior black lab with a full body skin rash, five cats, and two chihuahuas all needing extensive medical care.
- Bella, a three-year-old beagle who was emaciated when she arrived at HumaneCNY, and we soon discovered she had suffered a broken pelvis.
- Artie, a six-year-old beagle, who was taken from an abusive home and suffers from seizures.
- Four emaciated Pit bulls and seven very sick cats brought to us by the Syracuse Police Department just days before Christmas.
- On New Year's Day, we received a call about a puppy with parvovirus. After hours of phone calls, we were able to get Stella to a veterinarian 2.5 hours away. Two dedicated drivers gave up their holiday to get her the urgent medical care she desperately needed.

While these animals are now healthy and happy in their forever homes, our need for **your support is constant, because as you can see, the medical needs of these animals are constant as well!** Your support literally saves lives daily. Please join us today or continue your valued membership of HumaneCNY.

Gratefully,

Maureen Davison, Shelter Director
